Description:

The National Institute of Metrology, Quality and Technology - Inmetro, has issued the Ordinance 329, 21 August 2019, that approves the adjustments to the Technical Quality of Regulation for new automotive tires, including those for mixed use and towed, published by Ordinance 165, 30 May 2008, in Brazilian Official Gazette, 03 June 2008, Section 1, Page 55.

Establishes the period of 60 (sixty) months, from the date of publication of this Ordinance for the adequacy of families that on the date of publication of this Ordinance, are already certified and registered.

This Ordinance shall enter into force on the date of its publication in the Federal Official Gazette.
