NOTIFICATION

Addendum

The following communication, dated xx January 2018, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology – INMETRO and the Ministry of Environment are proposing to give trading partners an opportunity to provide comments and suggestions in relation to the Draft Bill establishing maximum limit of lead in paints and materials similar to Surface coating, elaborated in the category of the National Commission Chemical Safety Agency (CONASQ), with a coordination of the Ministry of the Environment (Ministério do Meio Ambiente-MMA).

The comments should be forwarded exclusively through the electronic form available at www.mma.gov.br until 4 March 2018 .

Due to an IT incident we are looking forward to receiving the previously sent comments again.
