

## NOTIFICATION

### *Addendum*

The following communication, dated xx July 2016, is being circulated at the request of the delegation of the Brazil.

---

This addendum aims at providing information and understanding about the adjustments made by the Ordinance nº 336, 21 July 2016 (Annex II) issued by the National Institute of Metrology, Quality and Technology – Inmetro by rewording some items of the Technical Requirements to Water dispensers that had been set by the Ordinance 394/2014 previously notified under the document G/TBT/N/BRA/534/Add.1.

Comments and suggestions will be accepted until 10 August 2016
