NOTIFICATION

Addendum

The following communication, dated xx September 2014, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the Conformity Assessment Procedure, issued by the National Institute of Metrology, Quality and Technology (Inmetro) and notified under the document G/TBT/N/BRA/494/Add.2, laying down relevant provisions to the requirements and compulsory certification for wires, electrical cables and flexible cords, which should be performed by a compulsory third party certification carried out by an accredited body within the Brazilian System of Conformity Assessment – SBAC, was amended by the Inmetro Ordinance N°392, 25 August 2014 (Portaria Inmetro N° 392 de 25 de Agosto de 2014) in order to postpone for more twelve (12) months the deadlines previously determined for household electrical clothes iron appliances, considering the requirements of Cables and Flexible cords with extruded chlorosulfonated polyethylene (CSP) insulation.
