## NOTIFICATION

### *Addendum*

The following communication, dated xx October 2014, is being circulated at the request of the delegation of the Brazil.

---

This addendum aims to inform that that the National Institute of Metrology, Quality and Technology (INMETRO) issued the final text as the conformity assessment requirements for automotive components by the Inmetro ordinance Nº 455, 07 October 2014, proposing to amend and reword the item 6.1.7.3 previously stated by the Ordinance 247, 3 May 2013 notified as document G/TBT/N/BRA/515/Add.1, which establishes requirements that must be met by the elements of the steering system in order to prevent accidents.
