NOTIFICATION

Addendum

The following communication, dated xx November 2014, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the requirements to assess conformity for babies feeding bottles and nipples set by the Ordinance N° 576, 28 November 2013 (Portaria N° 576, de 28 de Novembro de 2013) issued by the National Institute of Metrology, Quality and Technology - INMETRO and, notified as a draft by the document G/TBT/N/BRA/567, was approved as final text, by the Inmetro ordinance N° 490, 6 November 2014 and, published in the Official Journal 216, 7 November 2014, as the improvement of the requirements for Conformity Assessment on the Conformity Assessment Program, under the health surveillance system and the National Policy on Consumer Relations, concerning safety requirements by means of certification mechanism.

It revokes Inmetro Ordinance N° 35, 3 February 2009 and, Inmetro Ordinance N°186, 22 June 2009, from 7 November 2015.

The full text of this measure is available in Portuguese and can be downloaded at:
