NOTIFICATION

Addendum

The following communication, dated xx December 2014, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the Conformity Assessment Procedure, issued by the National Institute of Metrology, Quality and Technology (Inmetro) notified as a draft, under the document G/TBT/N/BRA/549, was now approved the final text (Ordinance nº 561, 23 December 2014, published in the Official Gazette, nº 249, 24 December 2014, section 01, page 97/98) with a view to improving the requirements for the Personal Protective Equipment (PPE): respiratory protective devices, by a compulsory third party certification, carried out by an accredited body to determine that the relevant requirements within the Brazilian Conformity Assessment Program are fulfilled.

It revokes Inmetro's Ordinances 230/2009 and 11/2012 within thirty six months after the publication of this Ordinance nº 561, in 24 December 2014.
