

NOTIFICATION

Addendum

The following communication, dated xx December 2014, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology - INMETRO issued by the Ordinance nº 566, 23 December 2014, to amend the criteria for the conformity assessment procedures for Commercial Electric Ovens by rephrasing, excluding, including and renewing items, in order to improve the consumer security on the provisions previously set by the Ordinance nº 446, 27 August 2012, notified under the document G/TBT/N/BRA/462/Add.1, and thereafter amended for new adjustments notified under the document G/TBT/N/BRA/462/Add.3 (Ordinance nº 127/2014).

Moreover, to inform that all deadlines for commercial electric ovens electricity consumption testing set in 4 and 5 Articles of the Ordinance nº. 446/2012, will be postponed in twenty four (24) months.
