## NOTIFICATION

### Addendum

The following communication, dated xx August 2012, is being circulated at the request of the delegation of Brazil.

---

This addendum aims at informing that the National Institute of Metrology, Quality and Technology – INMETRO, issued the Ministerial Act n° 430/2012 which approves the revision of the requirements of the procedure to assess the conformity of sound power in domestic electrical appliances (vacuum cleaners, mixers and hair dryers).

The full text of this measure is available in Portuguese and can be downloaded at:
