

NOTIFICATION

Corrigendum

The following communication, received on July 3rd, 2019, is being circulated at the request of the Delegation of Brazil.

The annexes I and III of the Normative Instruction 28, 26 July 2018, previously notified through G/TBT/N/BRA/781/Add.1 – which establishes the lists of nutrients, bioactive substances, enzymes and probiotics, limits of use, claims and supplementary labelling of food supplements – were rectified.
