<b>5. Title, number of pages and language(s) of the notified document:</b> Public Consultation 11, 10 March 2021. <b>Language(s):</b> Portuguese. <b>Number of pages:</b> 15
<b>6. Description of content:</b> Public Consultation for approval of the Operational Procedure for Declaration of Conformity with Test Report to Assessment of Telecommunications Products by Certification, aiming to comply with the provisions of the Regulations for Conformity Assessment and Homologation of Telecommunications Products, approved by Resolution No. 715, 23 October 2019, in articles 28 - § 3º, 29 - II, 33 to 35.
<b>7. Objective and rationale, including the nature of urgent problems where applicable:</b>  The Operational Procedures cover the conduct of the conformity assessment process, addressing, among others, the performance of agents in the process, and the procedures related to each model of conformity assessment, as well as rules, conditions, procedural requirements to be followed in the Conformity Assessment process, in compliance, in compliance regulations established in the Regulation of Conformity Assessment and Homologation of Products for Telecommunications.  The conformity assessment of telecommunications products may be made by declaration of conformity pursuant to Article 29, I and II of the Brazilian Regulation for conformity assessment and homologation of telecommunications products.  The need to establish the form of the proposition of declarations of conformity for the type-approval of telecommunication products.  The rapid development and sector transformation made the system of absorption of new technologies time consuming, since the approval process of the conformity assessment resolutions was too long to meet the demand of an industry in constant evolution.
