

NOTIFICATION

Addendum

The following communication, dated of ... February 2017, is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the Brazilian Health Regulatory Agency (Anvisa), issued the Technical Resolution RDC Nº 136, 8 February 2017 (Resolução ANVISA RDC Nº 136, de 8 de Fevereiro de 2017), previously notified under the document G/TBT/N/BRA/684/Add.1, regarding the mandatory statement of the presence of lactose on food labelling, by regulating the Decree-Law No. 986, 21 October 1969 laying down basic standards for food.
