## NOTIFICATION

### *Addendum*

The following communication, dated xx November 2015, is being circulated at the request of the delegation of the Brazil.

---

This addendum aims at informing that the National Institute of Metrology, Quality and Technology (Inmetro) issued the Ordinance N° 577, 18 November 2015, as Technical Regulation's final text for refrigerators and and similar products like coolers, freezers, etc, previously notified as G/TBT/N/BRA/513.

The Conformity Assessment Requirements is available in annex II of this Ordinance, and deadlines to become acquainted with the rules are inserted in the item 14.

It revokes Inmetro Ordinance N° 20, 1º February 2006 within 36 months.
