NOTIFICATION

Addendum

The following communication, dated xx July 2017, is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology (Inmetro), issued Ordinance Nº 205, 17 July 2017, approving Conformity Assessment Procedures adjustments for vehicle lift platform for access to public urban and road transport, by rewording articles 1 and 2 of Ordinance number 269, 2 June 2015, to set some technical requirements for dealing with bus access by disable people while the technical requirements necessary for the certification of devices and other equipment that are alternative to vehicle lift platform, have not yet been established.
