

On the cover

Britain's Brexit crisis has plumbed new depths. Parliament must seize the initiative and get the country out of it: leader, page 9. **Conservatives are manoeuvring to replace a broken prime minister: Bagehot, page 51**

• **Plane truths about Boeing**
The crash of Ethiopian Airlines flight ET302 shows why a golden age for the world's aircraft duopoly may be over: leader, page 11. Troubled times for America's aerospace giant, page 54

• **Thailand's sham democracy**
The election marks a new phase in military misrule: leader, page 14. The generals plan to remain in charge, whatever the voters say, page 36

• **Goodbye to China's surplus**
China is switching from being a net lender to the world to being a net borrower. The implications will be profound: leader, page 11. Why a current-account deficit could remake China's financial system, page 62

• **A special report on NATO at 70**
The Atlantic alliance has proved remarkably resilient, says Daniel Franklin. To remain relevant, it needs to go on changing, after page 40

The world this week
