

On the cover

As tensions rise between America and Iran, both sides need to step back: leader, page 11. The risk of conflict is growing, page 37. Iran's president does not want to walk away from the nuclear deal, page 38

• **The psychology of US-China trade** The two countries have become strategic rivals. Their trading relationship will be fraught for years to come: leader, page 12. China's measured strategy could soon be put to the test, page 58. How much harm have tariffs done? Page 59

• **Democracy at risk in Latin America** Four decades after dictatorships began to give way to democracy, populism and polarisation pose unprecedented threats: briefing, page 18. The danger goes well beyond Cuba, Nicaragua and Venezuela: leader, page 12

• **Caster Semenya: a consequential ruling** It is a very specific decision for a very special runner. But it has implications far beyond athletics, page 49

• **How creepy is your smart speaker?** Worries about privacy are overstated, but not entirely without merit: leader, page 14. Household electronics are undergoing a sensory makeover, page 65

The world this week
