

## On the cover

America's economic expansion is now the longest on record. What could bring it to an end? Leader, *page 13*. The factors that cause recessions are strangely absent. For the time being: briefing, *page 21*. Supply chains are undergoing their most dramatic transformation in decades. See our special report, after *page 42*

- **The most dangerous man in Europe** Matteo Salvini could wreck the euro, *page 47*. How to defuse the threat: leader, *page 14*
- **China's Silicon Valley** It is transforming the country, but not yet the world, *page 39*
- **The IMF and the changing of Lagarde** A coronation for the organisation's next boss will not prevent a fight over its future, *page 67*
- **Scoop!! Leaks from a US ambassador** Britain's man in Washington has resigned over cables that surprised no one. We have been passed the dispatches to President Donald Trump from Woody Johnson, America's ambassador in London, *page 17*
