

On the cover

If China were to react brutally, the consequences would be disastrous—and not just for Hong Kong: leader, page 9. Asia's pre-eminent financial centre is on the brink: briefing, page 16

• **Guns: America's tragic exceptionalism** Other rich countries do not have frequent mass shootings. There is a simple reason for that: leader, page 10. America grapples with a lethal mix of terrorism and lax gun laws, page 19

• **Modi's bad move on Kashmir** The revocation of its autonomy points to a radical nationalist agenda: leader, page 11. Narendra Modi dashes the old rules in a bid to remake a troubled territory, page 29

• **From trade war to currency war** America cannot have a strong economy, rising tariffs and a weak dollar all at the same time: leader, page 10. Hostilities escalate, and the fog of war descends, page 57

• **Seed capitalism—the business of fertility** Investors are pouring money into companies that promise to help people conceive, page 50

The world this week
