

### On the cover

Inequality could be lower than you think. But there is still plenty to do to make economies fairer: leader, page 13. As inequality rises further up the political agenda, some economists are rethinking the numbers: briefing, page 21. What would millennial socialists do with power? Page 72

• **Brassed off with Donald Trump** America's president falls out with the military establishment he once wooed, page 25

• **China's forgotten migrant workers** The people who made this country an industrial giant face a bleak retirement: Chaguan, page 41

• **Pushing the limits of luxury** Europe's richest man tests the limits of the conglomerate model, page 57

• **Alibaba's Amazon envy** The thinking behind its Hong Kong listing: Schumpeter, page 62

### The world this week

- 10 A summary of political and business news
