

On the cover

The West's obsession with home ownership undermines growth, fairness and public faith in capitalism: leader, *page 9*. Housing is the world's biggest investment class. It is also at the root of many of the rich world's social and economic problems: special report, after *page 44*

• **Harry, Meghan and Marx** Brand Sussex represents the biggest threat to the monarchy so far: Bagehot, *page 54*

• **Dethroning the dollar** America has weaponised the dollar. In the rich and emerging world, the search is on for an alternative: leader, *page 12* and briefing, *page 62*

• **The back-pain industrial complex** The medicalisation of back pain sees huge amounts spent on treatments of little, if any, benefit to patients: leader, *page 13*. There are better ways forward: briefing, *page 17*

• **Davos, man!** Can the World Economic Forum keep its mojo in the face of a conflicted identity, increased competition and uncertain succession? *Page 57*
