Addendum

The following communication, dated xx June 2019, is being circulated at the request of the delegation of Brazil.

The National Institute of Metrology, Quality and Technology - Inmetro issued Ordinance 272, 1 July 2019, approving adjustments to conformity assessment requirements for transportable containers for liquefied petroleum gas (GLP), due to the new materials used in containers in accordance to the Ministerial Act nº 74, 7 February 2012 and Ordinance 418, 05 November 2010 established in the Annex of this Ordinance.

The public consultation that originated the requirements approved was published by Ordinance 447, 20 November 2018.

This ordinance shall enter into force on the date of its publication.
