Description:

The Technical Regulation No. 67, 05 November 2018, rules the procedures and requirements for export and import certification of beverages, fermented acetic, wines and wine and grapes derived products (G/TBT/N/BRA/853).

A proposal to amend the mentioned regulation was published as Ordinance No. 79, 13 May 2019, and notified on G/TBT/N/BRA/853/Add.1, followed by a period for public consultation.

After considering comments from WTO Members, the Ministry of Agriculture, Livestock and Food Supply – MAPA had withdrawn the above-proposed amendment.
