Description:

National Institute of Metrology, Quality and Technology – Inmetro, issued the Ordinance 86, 11 February 2021, that approves the consolidated Metrological Technical Regulation that establishes the criteria that should be observed in the manufacture and use of glass liquid thermometers, of internal scale and total immersion, used in the measurement of the temperature of petroleum, its derivatives and liquid biofuels.

The aim of the consolidation of the regulation is to attend decree no. 10.139 of 28 November 2020.

This following Ordinance revokes:
