

## **NOTIFICATION**

### *Addendum*

The following communication, dated 20 July 2018, is being circulated at the request of the delegation of Brazil.

---

This addendum aims to inform that the Brazilian Health Regulatory Agency (ANVISA), issued Resolution RDC nº 237, 16 July 2018, which establishes adjustments in the technical requirements for registration of personal care products, cosmetics and perfumes approved by the Resolution RDC Nº 15/2015, notified as G/TBT/N/BRA/507/Add.1.

The full text of the RDC 237/2018 is available only in Portuguese and can be downloaded at:
