NOTIFICATION

Addendum

The following communication, dated xx August 2018, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology – Inmetro issued Ordinance 404, 23 August 2018 (Portaria Nº 404, de 23 de Agosto de 2018) which extends for 6 (six) months the period of vacancy set forth in the caput of art. 15 of Ordinance Inmetro 20/2017 (Technical Regulation for light fixtures/light fitting/luminaire for Public Road Lighting,) which establishes the mandatory compliance requirements, regarding the performance and safety of the product, considering the revision of the standard ABNT NBR 51012012 that served as the basis for the regulation, which may lead to a shortage of the market.
