NOTIFICATION

Addendum

The following communication, dated xx September 2018, is being circulated at the request of the delegation of the Brazil.

This additive aims to inform that the National Institute of Metrology, Quality and Technology - INMETRO issued Ordinance 424, of September 5, 2018 (Portaria Inmetro 424, of September 5, 2018) to approve the Technical Metrological Regulation (RTM) establishing the conditions to be met by internal-scale and full-immersion liquid glass thermometers used to measure the temperature of petroleum, its by-products and liquid biofuels when stored in tanks or transported in road tankers.

The full text of this measure is available in Portuguese and can be downloaded at:
