

NOTIFICATION

Addendum

The following communication, dated , is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the Technical Regulation for Baby Carriages issued by the National Institute of Metrology, Quality and Technology/Inmetro through the Ordinance N° 315/2012 (G/TBT/N/BRA/474/Add.1) was amended by Inmetro Ordinance N° 28, 22 January 2014, in order to determine that the service requirements for corrosion resistance (item 5:41) will only be required for certification purposes after 10 July 2015.
