NOTIFICATION

Addendum

The following communication, dated xx December 2012, is being circulated at the request of the delegation of Brazil.

This addendum aims to inform that the Conformity Assessment Procedures, issued by National Institute of Metrology, Quality and Technology (INMETRO) and notified under G/TBT/N/BRA/495, which proposed conformity assessment procedures for lifting platforms used in urban public transport with a focus on safety accessibility needs, were adopted as the final text by the Ministerial Act n° 642, November 30th 2012 (Portaria n° 642, de 30 de novembro de 2012) published in the Brazilian Official Journal N° 236, November 7th 2012.
