NOTIFICATION

Addendum

The following communication, dated xx December 2012, is being circulated at the request of the delegation of Brazil.

This addendum aims to inform that the document notified under the G/TBT/N/BRA/197/Add.4, issued by the National Institute of Metrology, Quality and Technology (INMETRO), which proposed mandatory conformity assessment procedures for air conditioning, was adjusted by the Ministerial Act N° 643, November 30th 2012 and published in Official Gazette N° 236, December 7th 2012, Section 1, page 239. The adjustments concern the amendments and adoption of the ISO 5151 - *Non-ducted air conditioners and heat pumps - Testing and rating for performance* - for the tests set out in the Assessment Requirements Conformity approved Inmetro N° 007/2011.
