NOTIFICATION

Addendum

The following communication, dated xx December 2015, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology (Inmetro) issued the Ordinance N° 617, 21 December 2015 in order to make some amendments, by rewording item 4° and item 5° and changing some deadlines of the Ordinance N° 563/2014, aiming to solve some difficulties reported by the Electronics Products manufacturers to adapt the productive sector to the provisions of Ordinance N° 563/2014, notified as G/TBT/N/560/Add.1.

Other provisions from the Ordinance N° 563/2014, will be held.
