Committee on Technical Barriers to Trade

Original: English

NOTIFICATION

Addendum

The following communication, dated xx September 2016, is being circulated at the request of the delegation of the Brazil.

This addendum aims at informing that the Brazilian Health Regulatory Agency (Anvisa), issued the Resolution RDC Nº 110, 06 September 2016 (Resolução RDC Nº 110, de 06 de Setembro de 2016), approving the technical regulation for sanitizing products categorized as chlorine, notified as G/TBT/N/BRA/600.

And, to inform that Anvisa also issued the Resolution RDC Nº 109, 06 September 2016 (Resolução RDC Nº 109, de 06 de Setembro de 2016), approving the technical regulation for sanitizing products registration categorized as sanitizing products bleaches based on sodium hypochlorite and hypochlorite calcium.

The Resolution RDC 109/2016 revokes the Resolution RDC Nº 55, 10 November 2009 (Resolução RDC Nº 55, de 10 de Novembro de 2009), notified as G/TBT/N/BRA/316/Add.1.
